# The first homeopathic, all natural eye drops for the treatment of Presbyopia!

# Blur Relief®

Homeopathic Medicines and Dietary Supplements

Eye Drops

### Uses for Relief:

According to homeopathic indications the ingredients in Blur Relief® provide temporary relief from symptoms associated with presbyopia such as:

- Blurry Vision
- Dry, Red and Tired Eyes
- Poor Night Vision (Glare)
- Presbyopia

### Relieve your blurry, tired, red & irritated eyes.

Presbyopia translated from Greek means "aging eye." It is a condition that causes vision to progressively blur with age, causing eye fatigue, poor night vision and reliance on bifocals and reading glasses. Blur Relief® stimulates the body's natural ability to support eye vitality and to refresh tired, dry, red and irritated eyes. Available as drops.
