Temporary Fibromyalgia Pain and Discomfort Relief®

Homeopathic Medicines and
Dietary Supplements

Dual Delivery Caplets

Uses for Relief:

According to homeopathic indications the ingredients in Temporary Fibromyalgia Pain and Discomfort Relief provide temporary relief from symptoms associated with Fibromyalgia such as:

- Muscle pain
- Headache
- Multiple Tender Points
- Nerve / Soft Tissue Pain
- Fatigue

Relieve your muscle pain and overwhelming fatigue.

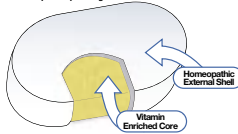

Fibromyalgia is a chronic condition characterized by widespread, unexplainable pain in your muscles, joints, ligaments and tendons, as well as general discomfort, headache, fatigue, disturbed sleep and multiple tender points. Tender points are places on your body where slight pressure causes pain.

This product is for the temporary relief of pain and discomfort of Fibromyalgia after diagnosis by a doctor who has ruled out any serious underlying condition and the need for other specific treatment.

The Fibromyalgia Relief Dual Delivery caplet not only stimulates the body's natural ability to alleviate these symptoms, but also provides the necessary nutrients to carry out the process.

Warnings

Consult with your doctor prior to use if you are pregnant or nursing. Initial worsening of symptoms may occur. If symptoms persist or worsen, consult your doctor. Keep this and all medicines out of reach of children. Anyone experiencing widespread pain as with Fibromyalgia should see a doctor to determine if a specific treatment is needed or to make sure that it is not a sign of a serious underlying condition.

Do Not Use

If tamper evident seal is broken.

Stop Use and See A Doctor If

Symptoms persist for more than 7 days or worsen, if new symptoms occur or if redness or swelling is present because these could be a sign of a serious illness.

Directions

Take 1 caplet, morning and evening, 5 minutes before or 20 minutes after a meal. Let the homeopathic external shell dissolve in your mouth until the sweetness is gone (approx. 20-40 seconds), then swallow the remaining vitamin enriched core with water. For faster results take 1 caplet 3 times per day. For best results, use for at least 6 months. After desired results are achieved, reduce dosing to 1 caplet 2 times per day.

Other Information

If an initial worsening (healing aggravation) of symptoms occurs stop use until the aggravations subsides, then continue taking the caplets.
